Fontana, CA

Profile

An Electromechanical Engineer graduate from Cal Poly Pomona with hands-on experience in polymer manufacturing, metalworking, and automotive systems. A team player, detail-oriented, and a fast learner who is able to adapt quickly to new environments.

Work History

Production Associate | Applied Manufacturing, LLC, Rancho Santa Margarita, CA **July 2022 - Present**

- Perform manufacturing operations in a controlled environment with or without the assistance of equipment (extrusion/slitter machine)
- Assist in machine setup to help with production efficiency
- Perform detailed inspection of manufactured parts and make specific adjustments to production machinery to ensure quality control and efficiency of production work
- Execute labeling and packaging operations in compliance with company's SOPs, safety, and quality policy
- Ensure work area is clean and assist others in shift clean up of work areas

Fabricator/Welder | PLH Trailer Manufacturing, San Bernardino, CA **November 2020 - May 2022**

- Designed custom trailers according to customers' orders.
- Planned trailer building sequence.
- Cut metals to required lengths and sizes
- Framed and welded body of trailers.
- Installed wood panels, carpet upholstery, etc.

Lube Technician | Taylor Company Automotive, Pomona, CA **January 2020 - September 2020**

- Inspected and diagnosed the conditions of customers' vehicles.
- Performed fluid and lube exchanges.
- Recommended repairs and/or other work that is needed on customers' vehicles
- Verified fluids and air level and checked other essential points to ensure vehicles' readiness.

Education

Bachelor of Science, Electromechanical Systems Engineering Technology **May 2021**

California State Polytechnic University Pomona, Pomona, CA

Associate Degree in Science & Mathematics **May 2017**

Fullerton College, Fullerton, CA

Programs skills:

- Matlab - PSpice - ANSYS - V-Rep / Coppelia Sim
- Solidworks - C Programming - Microsoft Office Suite

Clubs Involvements and Volunteers

Polystyrene Nanofiber for Nano-filtration, Research Assistant **August 2019 - May 2020**

Cal Poly Pomona, Pomona, CA

BAJA SAE (Society of Automotive Engineers), Club Member **August 2018 - July 2019**

Cal Poly Pomona, Pomona, CA

13th Annual Robot Rally, Competition Judge Volunteer **19 April 2019**

Cal Poly Pomona, Pomona, CA
